7	L.UMASHANKAR	677	Dharmapuri	Kerala	Requesting retention since his spouse working in the State Government School and also to take care of his aged parents who requires regular medical attention.
---	--------------	-----	------------	--------	--

Under these situations, transfers of these comrades to other Circles are not going to serve any purpose and benefit to BSNL. The earned promotion after marathon efforts by SNEA and after serving 24 years in the Department should give great satisfaction to all promoted officers in BSNL which will enhance the working culture with great benefits to BSNL. As all promoted SDEs (Civil) have to assume their promotion like their counterparts in Telecom, Finance, Electrical, it is kindly requested to take immediate necessary action for retention of these 7 officers in Tamil Nadu Civil Zone. The transfer orders may be issued after modifying the existing Long Stay list which will not cause any objections from the Executives of TN Civil Zone.

Comradely Yours,

G.Valanarasu

Respected Comrade,

Sub: Promotion in the grade of SDE (Civil) – Posting of SDEs (C) in TNCZ upon
Promotion –Regarding

Ref: O/o CGM (BW), BSNL CO, New Delhi, Promotion order No.2-2 /2018 /M (BW-II) dated:
29.06.2018

On behalf of Tamil Nadu circle, I express my happiness and gratitude to your good selves and to CHQ office bearers on the historic achievement of promotion to good number of SDEs, DE/AGMs and DGMs in telecom and SDEs and EEs in Civil/ Electrical Streams. This has been a major milestone in the history of SNEA and for the betterment of BSNL as all of us promise to make our beloved company profitable in the days to come.

I would like to submit the following for your kind intervention and favourable action for retention of 7 SDEs of Tamil Nadu Civil Zone who have been transferred to Kerala and Telangana Civil Zone upon their promotion in the grade of SDE (Civil). This is their first functional promotion after 24 years and they could not enjoy the promotion due to dislocation.

The following table will reveal, the real picture of civil wing executives working in TN Civil Zone:

Sl. No.	Details of Post	Sanctioned Strength (TNCZ comprising TN Telecom Circle, Ch.TD, STR, STP and A&N Islands) as on 01.07.2018	Working Strength after promotion (TNCZ comprising TN Telecom Circle, Ch.TD, STR, STP and A&N Islands) as on 01.07.2018
01.	Sub-Divisional Engineer (Civil)	94	62
02.	Junior Telecom Officer (Civil)	146	21

The combined working strength of JTO (C) and SDE (C) in TNCZ is 34.58% (JTO (C) – 21/146 and SDE (C) – 62/94) only.

The severity of shortage of civil wing executives in all grades is felt more after attaching of the Civil Division, Port Blair, A & N Islands with Chennai TD. Four SDE (Civil) and One EE (Civil) have already been transferred and working in A&N Circle.

Under these situations, again 7 Executives are posted in other Circles (4 to Kerala and 3 to Telengana) on promotion as SDE vide BSNL CO order cited under reference which will reduce the working strength further.

A look at the major civil works under Tamil Nadu Civil Zone shall reveal the quantum of works which have to be executed. The following are the ongoing major works under TNCZ:

- (i) **The CLS Building Works under Chennai Telephones District** which is valued at Rs. 50 crores. (7 Buildings at A&N Circle and 1 Building at Chennai with G+7 floors for CLS and CCA offices)
- (ii) Erection of 7 Nos. of 100 m towers for **Fisheries Department Work for World Bank Project** along sea coast of Tamil Nadu is another major civil work which is being carried out. The value of the work is about Rs. 20 crores and is spread over five (5) Civil Divisions.
- (iii) Special repairs and civil maintenance work for buildings occupied by BSNL and buildings rented out to other Govt. Departments/firms are also carried out.
- (iv) Civil works under Ch.TD, Chennai Metro city alone covers a vast area.

While comparing the total value of Land Assets compiled through Project Vasundhara, a share from TN and Ch.TD alone is about Rs. 10,500 crores to the overall value of Rs.78000 crores giving lot of scope for revenue generation from leasing out the surplus space. Already proposals are submitted to BSNL CO for leasing out for the Petrol Bunks.
