Sub: Reg.-Clarification on 3.22Mn DSLAM Ports Project.

Certain circles are raising the issue of supply of subscriber terminal cable and MDF tag blocks as per the equipment rated capacity under 3.22Mn DSLAM Ports Project.

In this regard as per the clause no.5.4 of section IV-B of 3.22Mn Tender, it is hereby clarified that **“as per tender terms and conditions, vendors are required to supply of Subscriber terminal cable and MDF tag blocks as per the tendered capacity in place of equipment rated capacity”**.

Hence as per tender, subscriber terminal cable & MDF tag blocks shall be supplied as per tender quantity and not for entire rated capacity.

This has been issued with the approval of Dir (CFA).
