Dated, the 23<sup>rd</sup> July 2013

Dear Shri Khan,

I am happy to note that Rajiv Gandhi Memorial Telecom Training Center (RGM TTC), Chennai under Tamil Nadu Telecom circle has started a new course on "Cell Phone Servicing" and bagged a training contract from Tamil Nadu Skill Development Mission for training of nearly 30,000 students across the state on this course.

Further, I am also very glad to note that RGM TTC has achieved an impressive earning of Rs.2.51 crores against their revenue target of Rs.1 crore assigned during the FY 2012-13. The extra enthusiasm and special initiatives taken by your training center in earning additional revenues will certainly inspire other units to perform and focus on revenue generating projects.

I place on records my deep appreciation for the new initiatives taken by you & your team and hope that they will continue to show the same zeal in future.

With best wishes

Yours sincerely
