Dear Shri

Adopt the nature to live in the present and swing into action in right earnest for all-round improvement.

TRAI has started penalty regime in LL, BB and mobile services for the first quarter of 2013.

To increase BSNL revenue, following actions may please be thought of:

- 1. Rent out spare / dark fibre to other organizations, TV operators, etc.
- 2. Rent out towers to other operators.
- 3. Instal DSLAMs in BTS sites in new localities in potential areas and give BB connections.
- 4. Involve housewives of the staff as DSAs for encouraging and increasing business chains.
- 5. Instal ATMs in BSNL premises on main roads.
- 6. Vacant land and buildings may be gainfully used for generation of revenue.
- 7. In IP TAX, lot of space is generated which may be rented out.
- 8. In each CSC Category-I, micro / nano cutters can be purchased as there is good demand for micro / nano SIMs which are in shortage. GM S&M-CM may arrange.
- 9. Strengthen and suitably gear up 'Udaan' and 'Vijay' teams.
- 10. Operational parameters may be improved.
- 11. Rollout of current phase of GSM project may be made faster.
- 12. More 'melas' may be conducted and marketing activities aggressively pursued.
- 13. To boost the morale of BSNL personnel, various methods of motivation may be adopted.
- 14. Smaller denominations of recharge coupons may be made available by GM S&M-CM as requirements have poured in from the SSA Heads.
- 15. When any new BTS is opened, please do wide publicity and ensure sale.
- 16. As you know, there is cash crunch in BSNL. Therefore, all-out efforts should be made to increase revenue and ensure profitability.

Please send monthly progress reports to the undersigned.

With best wishes,

Yours sincerely,

[Mohammed Ashraf Khan].

All SSA Heads, TN Circle.
