Subject : Pension, Leave Salary, contributions to be made by BSNL for staff/officers on deemed deputation from DOT.

Dear Sir/Madam,

As you are aware an adhoc rate of 23% has been intimated as contribution towards pension that BSNL has to make against each official on deemed deputation to BSNL from DOT. In our accounting codes of BSNL we have allocated a code for pension and leave salary contribution. This in effect means that this adhoc rate covers pension as well as leave salary contribution.

2. Adhoc rates can only be for an interim period. Moreover, there is a need to arrive at concrete rates in view of amendment of Rule 37 of Central Civil Service Pension Rules, 1972. It has now been decided that BSNL will have to provide for pension contribution on the basis of the table giving varying contributions with varying length of services as given in Appendix-2 containing orders issued under FR-116-117. As per these orders, pension contribution will be levied at the maximum of the scale of pay. In addition, there will be monthly leave salary contribution of 11% of pay drawn for each and every officer/official who is subject to the CCS (Leave) Rules, 1972. The detailed calculations are to be made individual wise every month and cheque has to be given with supporting schedules containing individual wise details against these items i.e. pension contribution, leave salary contribution to the DOT Cells from the Circle Office. The DOT Cell will maintain group-wise, cadre wise, individual-wise ledgers and monthly contributions will be entered against individual name along with schedule No. and cheque No. and the date. The entries in the service books will be made by BSNL units as the service books are maintained at the unit level but authentication, atleast once a year, will be made by Inspection Teams from DOT Cells. () X

3. Till the units are in a position to work out details individual wise, the existing arrangement of monthly adhoc contribution of 23% may continue. It is always desirable to switch over to the above arrangement quickly.

4. For Group A and B officers who are on deemed deputation in MTNL, MTNL will have to make contribution for pension, leave salary with effect from 1.10.2000 as per para 2.

Yours faithfully,

Asray
