Sub: Disconnection of access to offnet calls from the residential service connections / mobile service connections of serving employees - reg.

-0-0-0-0-0-

1. In order to save IUC charges payable, offnet calls may be immediately disconnected on all the residential landline service connections of all the serving employees up to the level of DEs/CAOs.
2. Similarly, offnet calls may be disconnected immediately on all the mobile service connections of all the serving employees up to the level of SDEs/AOs.

In case any officers/officials want the offnet calls to continue on their residential service connections/mobile service connections, he/she will have to pay for the same. Such arrangements may be done by SSAs.

Compliance report on the above instructions may be sent to the undersigned within a week's time please.
