Subject:- Introduction of scheme for the new postpaid Broadband customers with their own modem on promotional basis for a period of 90 days in all the circles – reg.

Kindly refer T&C-CFA letter no. 1-1/2009-R&C [CFA] pt. (Circular No. 12/11-12) dated 07-07-2011 regarding introduction of scheme for the new prepaid Broadband customers with their own modem on promotional basis for a period of 90 days in all the circles. Many field units have approached this office with request to extend such scheme for **postpaid broadband customers**.

The case has been examined in this office and competent authority has decided **"to waive off the BB installation charges and to provide 500 MB free download per month for 4 months starting from the 2nd billing cycle to all the new post paid BB customers with their own modem. This will be over and above the free download admissible under the chosen BB plan and will have to be utilized during respective month. The scheme shall be valid for 90 days from the date of its launch."**

This is for the information to make preparation for implementation in the billing and commercial systems. The detailed letter in this regard shall be issued by T&C-CFA Cell, BSNL C.O.
