Kindly refer to the letter cited above from DGM(WLL&WiMax),TN Circle. Circle Wi-Max planning wing has made feasibility study for the entire Village Panchayat locations. The list of Panchayat locations covered by Wi-Max with details of BTS Sector, latitude,longitude and distance has been uploaded on Tamilnadu Intranet site on 06.05.13.

Out of 12,524 Villages, only 3791 Broadband connections and 2620 Wi-Max connections have been provided. Remaining 6411 Villages are yet to be provided with the connectivity.

For the remaining locations, the feasibility as given by Circle Wi-Max wing may be verified and advice notes may be issued in Kenan FX and provide the connections immediately. After providing the connections, the data is to be updated in Intranet under EB cell, SSA reports.

The Project was to be completed by 31.03.13 as per the commitment given to M/s ELCOT/ State Govt. Hence SSAs are requested to take immediate action to provide the connectivity and complete the Project latest by 15.05.2013.
