Sir,

Sub:- **Feasibility report for** Leased line connectivity of Police Stations – reg.

Ministry of Home affairs, Govt. of India is taking the initiative of connecting the Police Stations located in Tamilnadu state in a Town/City on leased line with the TNSWAN Office Taluk/Block or to the Collectorate available in the same Town or City under the CCTNS project .

In this regard EB unit requires the details such as Last mile distance, nearest TNSWAN office, connecting exchange, MLLN availability, contact numbers of the field officers etc., for submitting the quote to the department.

The List of Police Stations in the feasibility report format is uploaded in the Circle Intranet. SSAs are requested to download the locations pertaining to their SSAs and submit the details required as given in the format immediately.

If any of the location is not feasible on copper or last mile distance is more than 5 kms , the same may be highlighted and feasibility for the other means of connectivity on Wimax /EVDO on CDMA to be specified in the appropriate column.

Since the proposal is important and very urgent, it is requested to sent the filled in feasibility report as softcopy by mail to the following mail id on or **before 10/09/2011**.
