Subject: Regarding IPV6 Implementation in BSNL.

It is to intimate that many government and private organizations are in the process of implementing IPV6 in their network and some of them have already done. BSNL is also ready for providing ILL on native IPV6 and our core network is already IPV6 compliant.

In this regard it is now felt that for implementation of IPV6 or for providing training we may communicate to all our Enterprise customers and enquire whether their network is IPV6 compliant or not. If the company is already IPV6 compliant then we may ask them to place their request for obtaining IPV6 addresses from BSNL. For companies which are not IPV6 compliant, BSNL may organize IPV6 awareness workshop and specialized training programmes for them. In this regard letter no. 25-1/2010-Trg dated 21-04-2011 was issued to all CGMs from BSNL CO New Delhi also available in intranet (Copy enclosed for ready reference).

In this regard it is requested that a letter may be sent to all Enterprise customers of the respective platinum offices.

Encl. Copy of letter no.25-1/2010-Trg dt.21-04-2011.

No.25-1/2010-Trg

21st April, 2011

To

All CGMs,
BSNL.

Subject: IPv6 Awareness Workshop and Specialized Training Programmes to be organized by BSNL.

This is in continuation of this office letter no. 25-1/2010-Trg dated 18th March, 2011 on the subject.

2. We are pleased to intimate that DoT has approved the proposal of BSNL in respect of delivery of such IPv6 Trainings across the country, through specially designed programme, focused for various categories/ level of audiences. BSNL as the lead of National Working Group-I of IPv6 implementation roadmap along with other partners, would be shouldering this responsibility of appropriate dissemination of IPv6 awareness across the length & breadth of the country, in a time bound manner.

3. The instructions to various RTTCs for setting up IPv6 labs have already been issued by ALTTC. As critical components have been planned to be done with utilization of spare equipments within circles, the diversion/proper authorization of the same, may please be facilitated.

4. The letter issued by DoT to all the Principal Secretaries/Secretaries of States/UTs is enclosed for ready reference and proper follow up (Annex-I).

5. The progress on this business/relationship/image building opportunity may please be monitored on regular basis. Any handicaps, perceived on the way, may kindly be brought to the notice of this office, on priority, for their quick redressal. The training fraternity with its associated resources, remains the nodal delivery group while the BD/Marketing Cells take up the primary responsibilities of liasioning, relationship evolution & business translation.

Subject: IPv6 Awareness Workshop and Specialized Training Programmes to be organizing by BSNL

Kindly refer to this office letter No. 3-2/2010-NT dated 29/03/2011 intimating you a number of action items for implementation of IPv6 Policy in your state. However, nothing has been heard from your state till date.

You are again requested to kindly expedite the implementation of the action items mentioned in the above referred letter.

As already intimated, BSNL is the lead organization of Working Group- 1 (WG-1) of IPv6 Task Force and responsible for IPv6 awareness training and specialized IPv6 programme through out the country. For this the rate structure of the BSNL attached for your information and necessary action at your level, you may directly co-ordinate with the BSNL officers for such specialized modules. In addition DoT in co-ordination with BSNL is organizing IPv6 awareness workshop through out the country and these workshops shall be supported entirely by DoT.

You may kindly intimate the convenient date and schedule for this awareness workshop in coordination with BSNL. The following officers of BSNL may be contacted for this purpose

Rate Structure for IPv6 Specialized Training Module by BSNL

1. Awareness Programme – General (At BSNL Facilities)
- Rs. 3000/- per participant

These are similar programme “being organized by BSNL with the financial support and coordination of DOT” except that these shall be conducted regularly in BSNL training centers on a weekly basis. Participants would be from mix of organizations, as against the programme by BSNL with the financial support and coordination of DOT which will be organized exclusively for any organization.

2. Awareness Programme – Exclusive (At Client’s Facilities)
- Rs. 16,000/- Travel/Board/lodge per expert

These programmes would have the same flavor as exclusive awareness programme, except that these would be conducted at client’s facilities. The experts from the working Group would travel to the client’s premises.

3. Courses/workshops for Management Level participants (At BSNL Facilities)
- Rs. 2,500 per trainee per day (non-lab based)

These are short term programme (typically of less than a week duration) for officers in the decision making process, targeted to help them understand the nuances of the issue and carry out effective supervision/monitoring of the associated tasks in their respective organization/department

4. Courses for working Executives (At BSNL Facilities)
Rs. 2,000/- per trainee per day (non-lab based)
- Rs. 3,000/- per trainee per day (lab based)

These are the programme which are designed for detailed dissemination on the issue, leading up to the real time implementation of the project, for the on the job working executives in any organization department. These programmes would run upto 2-3 weeks. Hands on experience, addressing real implementation issues would be integrated for the participants in the lab based programme.

Note: Prices Exclusive of applicable taxes and Board/Lodge extra, as per actual usage.
