Sub:- VPN^oBB Connection to Hospitals in Tamilnadu in proper plan- Reg.,

Tamilnadu circle has provided TNSWAN Leased line connections to all Government Hospitals in Tamilnadu . VPN^oBB connectivity is provided as backup to all these circuits .. The hospital authorities are using this connectivity for their medical related critical mission applications on 24X7 basis.

Of late it is observed that some VPN^oBB circuits are disconnected for Non payment .Whereas ELCOT has done payment for all VPN numbers upto Aug 13. While reviewing the status in CDR, it is found that Plan type and Billing type was not correct at the time of creation. To set right such problems all COs of concerned field units are requested to change the Plan of LL and VPN^oBB (as per the guidelines given below) and clear the outstanding dues in coordination with concerned AOs and if necessary Payment postings may be done in coordination with AO (VAS) of Vellore SSA Smt Indramani 9486104055)
