Sub: - Reservation of CYMN numbers by the Franchisees as imprest - Reg

It was observed by corporate office that CYMN numbers are blocked by the Franchisees by entry of dummy data in Sancharsoft. In this regard, it has been decided that the blocked numbers may be released if CAF is not submitted within 3 days. It has also been decided that additional number reservation up to 200 numbers will be allowed to each franchisee based on performance without any time limit, so that they can use those numbers for genuine customers.
