No. MM-2/TNF-REQ/2013-14/1      Dt at Chi-8 the      6/3/13.

Sub: Requirement of stores to make TNF 100% feasible-reg

Director (CFA), BSNL CO, ND during the meeting held in Bangalore on 2.3.2013, to review the progress of BSNL activities, insisted Tamilnadu Circle to work out the requirement of Stores to make TNF locations 100% feasible and wanted to submit the requirement of stores by 15.3.13 so as to include them in the procurement process for 2013-14 by BSNL CO.

In this regard, the SSAs are requested to identify the locations where maximum connections are anticipated with minimum requirement of stores like areas where about more than 50 connections are anticipated using minimum length of cable. Special focus may be given for BB connections and corporate customers. Areas with minimum connections giving more revenue may also be taken into consideration.

It is therefore requested to work out the requirement of stores on the above guidelines and forward the same to this office in the proforma given below positively before 13.3.13 for timely submission of the same to BSNL CO by 15.3.13.
