No.64-118/2010/BB

Dated 13/1/2011

To

The Chief General Managers  
All Territorial Circles/ Metro Districts

**Subject:** Pending payment for bundling PC vendors under USOF agreement for wire-line subsidy

It has been brought to the notice of Corporate Office that the bundling PC vendors viz. M/s HCL & M/s Novatium have not been getting their payments after regular perusal with the circles. In this context, it may be pointed out that under USOF agreement for wired line broadband, BSNL gets subsidy of Rs 4500/- for each net PC/computing device provided in the notified rural areas. Following payments become due to the bundling PC vendors from BSNL:

1. **USOF subsidy of Rs 4500/- per Computing Device:** Here, the issue as reported by the vendors is that circles are not claiming the subsidy for all the PCs provided and also that wherever subsidy is received, endless waiting time is there before payment is made to these vendors. Some procedural issues of verification by the SSAs etc. are involved, although this payment can be done directly by the circles.
2. **Monthly EMI payment:** This payment is to be collected by BSNL and then has to be paid to these vendors. Here the issue seems to be that most of the SSAs are not even billing the total customer base or at some places, wrong amount is being sent as monthly subscription/EMI amount. As per M/s HCL, less than 50 SSAs are making monthly EMI payment to them.

It may be noted that these vendors performance is directly related to the promptness in their payments. Circle-wise payment status is enclosed in the attached annexure. You are requested to kindly take necessary action for streamlining the whole procedure and send a status report to this office at [broadbandbsnlco@gmail.com](mailto:broadbandbsnlco@gmail.com) or fax to 011-23734052 within next 7 days. Matter may be treated as "Most Urgent" please.
