U.O Note

Sub: Accounting procedure for adjusting the deposits for WiMAX connections migrated to LL Broad band connections on implementation of Govt. decision on surrender of BWA spectrum in TN Circle- reg.

Ref: This office Ir NO. DE/TS/CSC Coverage/WiMAX Corr/13-14/118 dated 24.5.2014

With reference to the BSNL C.O letter BSNL CO/NWP-WiMAX/WiMAX/81/11-12/pt2 dated 22-5-2014 and this office letter no DE/TS/CSC Coverage/WiMAX Corr/13-14/118 dated 24-5-2014, the WiMAX services in Tamilnadu Circle is required to be closed and the BWA spectrum to be surrendered by BSNL as per the given timeline. The deposits for WiMAX services are maintained in Kenen Fx and that of ADSL services are through CDR. Those cases where the WiMAX connections are feasible for migration to ADSL with the consent of customers are analysed and an issue has been raised by the SSAs regarding the adjustment of deposits in two different systems (KenanFx and CDR).

Security deposit for services and CPEs (if CPE provisioned on rental) in WiMAX service has to be adjusted for any pending dues from the Customer. The balance amount if any has to be brought into the accounts of migrated LL BB connection by concerned A.O of SSA in coordination with billing centre for balance due of the Customer. The deposits due for LL BB connection after adjusting the balance amount transferred from WiMAX service connection has to be collected from the Customer and accounted in CDR system against the LL BB connection.

Instruction on transfer of accounts for WiMAX closed connections which are migrated to LL BB connection may kindly be issued to the field units. By way of migration to LL BB connection field units expects nearly, 1614 Customer can be retained by BSNL. Hence immediate instruction in this regard on accounting procedure will felicitate the field units to go ahead with migration.
