Dear Shri Khan,

I am extremely happy to note that your circle has shown a remarkable achievement by surpassing the WiMax connections and revenue targets set for the year 2012-13. The net achievement of Tamilnadu circle in respect of WiMax connections is 8560 against the target of 4460 and in respect of revenue is Rs. 7.12 crores against the target of Rs. 2.93 crores for the year 2012-13.

I congratulate you on this achievement which would not have been possible without your commitment and initiative. Please convey my appreciation to all concerned officers and staff of your circle. I am sure that through dedicated efforts, your circle would report more remarkable achievements in future also. This will inspire other telecom circles also to achieve their set targets.

With best wishes,

Yours sincerely,

  
(R.K. Agarwal)
