Sub: Promotional Offer for 90 days on waiver of installation charges of Rs 250/- for WiMAX connections migrated to Landline / Broadband connections - reg

-00-

Due to the surrendering of the BWA spectrum, the WiMAX services are required to be closed and the WiMAX connections working with BSNL have to be migrated to LL / BB connections (ADSL) wherever feasible.

In order to retain the WIMAX customers with BSNL, **the Competent authority has approved for 'Waiver of installation charges of Rs 250/- as a promotional offer for a period of 90 days w.e.f 01-06-2014'** for the WiMAX connections migrated to Landline / Broadband connections.

Hence the Heads of SSAs are requested to utilize this offer and migrate all the WiMAX connections to Landline / Broadband (ADSL) connections wherever feasible so that the customers are retained with BSNL please.
